## From the President's Chair

We have been having great riding weather lately, as long as there are no early morning starts, so get your machine out and ride. This year HMCCQ Warwick Area hosted the 30<sup>th</sup> Anniversary Frostbite Rally at Allora.

Temperatures didn't live up or should I say down to the frostbite name but could have very easily been renamed the windy rally, with a strong blustery south easterly which made riding interesting as we travelled around some of the smaller back roads of the area.

Breakfast, Morning tea and Saturday night dinner, were, as usual, very enjoyable along with the three fire barrels which kept many of us warm. Congratulations to the HMCCQ Warwick Area for all their work, it was a great rally.

The Veteran Rally at Ivory Rock near Peaks Crossing is on in early August. The 'K' BSA is ready, and I am looking forward to catching up with friends and riding around this lovely area. When we were last there riding the veterans we travelled on some of the many back roads of the area and saw some great country.

Our own club's Rally preparations are progressing. Entry forms & supporting information are available from nrmcc.org and are also in this magazine. Morning tea will be at Casino in the park beside the river with lunch once again supporting one of our local schools- Wyrallah Road PS. This is a great way to assist our community.

The catering trailer has had the axle springs etc removed, thank you Norm & Bryson with replacement new parts ordered. Some of the body aluminium which wasn't badly damaged has already been panel beaten and returned thank you Norm. Many members have stepped forward and offered to assist in the trailer repairs, we thank you and will give you a call when parts arrive and there are jobs to do. The trailer will most likely not be ready for the rally, but we will work around this glitch and look forward to having the trailer back in operation soon.

Keep up right Mary

**Frost bite Rally** Six members of our club ventured back up to the cropping area of the Darling Downs in Queensland in July to attend the . Although it was raining on the coast, we enjoyed dry, mostly sunny and not as cold as we all expected weather over the weekend. I for one wasn't disappointed that we didn't see a frost this year and I can happily report that I could feel my fingers the whole time we were away. It was cold but not freezing.

The Frostbite Rally is one that we look forward to every year as the small HMCC of Q Warwick branch always puts on a great rally. Their rally was based at the Allora Showgrounds again and most camp there in everything from a swag to luxury caravans. Although the Saturday afternoon and Sunday morning rides are relatively short, we again were taken through many back roads and villages in the cropping areas of the gently undulating Darling Downs.

What I really enjoy about this rally is the wide variety of bikes that attend. English, Italian, German, Japanese and American were all there and one standout (and one of my favourites) was Les Allan's 1912 Bradbury. Les is an inspiration to me. He is 86yrs old and was riding a 112 yr old bike! Next year that will be a 200 year combination and his wasn't the only veteran bike there either. As for Indians, there were more Indians there than an episode of F-Troop!

It was great to see Mary back on her 500cc Moto Guzzi, Ian and Cathy on their 850 Guzzi and Bryson and the Smiths both on BMW's.

We had a great time, we didn't starve with Mary and Julia pulling together some great meals including Brysons favourite passionfruit iced, cream filled sponge cake and several varieties of slices.

Thanks again to the Warwick branch of the HMCC of Q for making us feel welcome and hosting this great rally.  
Michael S.
